

# Radiologic Technology-AAS

## PROGRAM AND ACCREDITATION OVERVIEW

### Program Overview

The Associate of Applied Science in Radiologic Technology prepares students for entry-level positions as radiographers. The program is designed in accordance with the Radiography Curriculum established by the American Society of Radiologic Technologists and consists of classroom and laboratory instruction integrated with hands-on experience in a clinical setting.

The program starts once per year, in the fall semester. Students must complete 19 hours of prerequisite courses and 43-49 credits of major core courses including electives.

### Accreditation Overview

The Yavapai College Radiologic Technology-AAS program is accredited by the:

[Joint Review Committee on Education in Radiologic Technology](#)

20 North Wacker Drive, Suite 2850  
Chicago, IL 60606-3182  
312-704-5300

Email: [mail@jrcert.org](mailto:mail@jrcert.org)

[2021 Standards-Radiography](#)

The program's current award is 8 years. General program accreditation information and the current accreditation award letter can be found:

8

**Year Award**  
effective: 3/2023

Yavapai College is accredited by the Higher Learning Commission of the North Central Association of Colleges and Universities.

#### Program Mission

The mission of the Yavapai College Radiology Technology program is to provide quality education that will develop competent, caring, and ethical entry-level radiographers who value lifelong learning and adapt to continuous changes in the healthcare system.

#### Program Learning Outcomes/Goals

- Demonstrate the clinical competency expected of entry-level radiologic technologists.
- Communicate effectively within the radiologic science industry.
- Demonstrate critical thinking and problem-solving skills.
- Exhibit professional behavior in alignment with the ethical and professional standards of radiologic science.

#### Program Curriculum

Our curriculum is designed in accordance with the most up-to-date Radiography Curriculum established by the American Society of Radiologic Technologists (ASRT).

#### Graduates are eligible to:

- Receive an AAS degree in Radiology Technology.
- Challenge the American Registry of Radiologic Technologists examination (ARRT).
- Apply for an Arizona CRT License to practice radiography. (Certified Radiologic Technologist)
