Program Effectiveness Data

The following is the most current program effectiveness data. Our programmatic accreditation agency, the Joint Review Committee on Education in Radiologic Technology (JRCERT), defines and publishes this information. [Click here](#) to go directly to the JRCERT webpage.

State Licensing Examination: The number of graduates who pass, on first attempt, the state licensing examination compared with the number of graduates who take the examination within six months of graduation. The five-year average benchmark established by the JRCERT is 75%.

State Licensing Examination Rate	number passed on 1 st attempt divided by number attempted within 6 months of graduation
Year	Results
Year 1 -	of -
Year 2 -	of -
Year 3 -	of -
Year 4 -	of -
Year 5 -	of -
Program 5-Year Average	of -

Job Placement: The number of graduates employed in the radiologic sciences compared to the number of graduates actively seeking employment in the radiologic sciences within twelve months of graduating. The five-year average benchmark established by the JRCERT is 75%.

Job Placement Rate	number employed divided by number actively seeking employment within 12 months of graduation
Year	Results
Year 1 -	of -
Year 2 -	of -
Year 3 -	of -
Year 4 -	of -
Year 5 -	of -
Program 5-Year Average	of -

Program Completion: The number of students who complete the program within the stated program length. The annual benchmark established by the program is .

Program Completion Rate	number graduated divided by number started the program
Year	Results
Year -	of
Annual Completion Rate	

PROGRAM EFFECTIVENESS DATA

The Limited X-Ray Machine Operator Certificate Program has graduates; however, program effectiveness data is not yet available as graduates have not completed the credentialing examination and the required employment follow-up period has not concluded.

Program effectiveness data will be published on this page once available in accordance with Joint Review Committee on Education in Radiologic Technology (JRCERT) requirements.

Additional information regarding accredited programs may be found at www.jrcert.org.
